SINGLE PASS DIGITAL PRINTER

The Future of Packaging Printing Is Here!

DiGiTECH VELOCITY
SINGLE PASS DIGITAL PRINTER

MADE IN INDIA

Experience a revolutionary printing technology that is transforming the packaging industry.

With advanced Single Pass Digital Printing Technology, print vibrant, multi-colour designs directly onto corrugated boxes, paperboards, packaging materials and more – all in a single pass at exceptionally high speeds.

Eliminate the limitations of traditional printing methods and enjoy faster production, outstanding print quality and the flexibility to print customized designs without plates or lengthy setup processes.

Whether it's small customized orders or large-scale production, this technology delivers unmatched versatility and efficiency.

Printing Cost
₹0.50 – ₹1 per piece
(depending on job specifications)
